Hey everyone!
I recently started translating Hyouryuu Net Cafe for a friend, so I decided to upload it here as well.
This is my first time translating/typesetting manga - some of the formatting is a bit (very) cringe-worthy, but please bear with me ^^;
To scanlation groups currently working on this series: feel free to edit/reformat my translations however you'd like!
Enjoy!

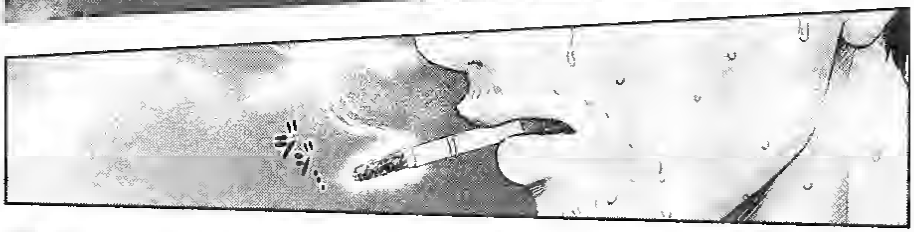
*SORRY FOR THE TERRIBAD FORMATTING OTL

It had been _ hours since we started walking.
We were completely exhausted. Suddenly, Toki started yelling
"Everyone is dead"
"Our families are gone, there's no one left"
"... it doesn't matter what we do now!"

Satomura-san's throat was slit with an exacto knife.
Blood spilled out, and spread throughout the water.

And unbelievably, Toki took the knife and pointed it at Miku-san



While threatening to kill her,

Toki raped Miku-san.
Right in front of our eyes.

Pathetically, we could only watch as it happened

oki raped Mi

Why didn't you say anything until now?

Oh yeah, Toki was covered in blood.
Now that I think about it, he was kinda acting suspicious

[8/17 11:48]
So it was Satomura's blood....

Is that really the truth?
Why didn't you say anything until now?

[8/17 11:46]
I was being threatened by Toki.
He said he would kill me if I talked.

We somehow made it back...
